

Why become a member of All Saints?

- To **participate** actively in decisions that affect our faith and community
- To **belong**—to become one of many who share the Orthodox faith, beliefs, and social values
- To **support** and sustain our community financially
- To **fulfill** our obligations to our Creator, for this is His house and blessed are those who love and sustain the beauty of his house.
- To **honour** the sacred place where we share our utmost joys and deepest sorrows (weddings baptisms, deaths)
- To **set an example** for our children so they will carry on when we are no more
